Personal Accident Rider: Selected. Additional accidental death benefit of INR 1,000,000, subject to rider terms and exclusions.

8. Claims process

• For planned hospitalization, notify the insurer or its authorized administrator at least 48 hours before admission where reasonably possible.

• For emergency hospitalization, notify the insurer within 24 hours of admission or as soon as reasonably possible.

• Submit the claim form, discharge summary, itemized bills, payment receipts, prescriptions, investigation reports, and identity details as applicable.

• Cashless treatment is subject to pre-authorization and approval by the insurer or its authorized administrator.

• Reimbursement claims are subject to document review, policy limits, exclusions, and admissibility.

9. Important conditions

All material facts must be disclosed accurately at proposal stage. Incorrect or incomplete disclosures may affect policy benefits in accordance with applicable law and policy terms.

The family floater sum insured is shared among all insured persons. Payment of a claim reduces the remaining available sum insured unless a restoration benefit applies.

This sample does not describe every term, sub-limit, definition, or endorsement that may appear in a real policy.
